Washington, DC 20231

**REQUEST TO USE COMPUTER READABLE FORM FROM ANOTHER
PATENT APPLICATION UNDER 37 C.F.R. § 1.821(e)**

Dear Commissioner for Patents:

Pursuant to 37 C.F.R. 1.125, the continuation application filed herewith is being filed with a substitute specification. The specification filed herewith differs from the parent application in containing a new claim set, updated priority information, amended abstract, and corrected drawings. No new matter has been added by way of these changes.

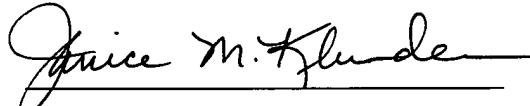

The computer readable Sequence Listing in the application filed herewith is identical with that filed in Application Number 08/825,559, filed on March 19, 1997, now U.S. Patent No. 6,107,073. In accordance with 37 C.F.R. § 1.821(e), please use the only computer readable form filed in that application as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary changes in application number and filing date for the instant application.

In accordance with 37 C.F.R. § 1.821(f), I hereby state that the paper copy of the Sequence Listing submitted herewith in the instant application is the same as the computer readable Sequence Listing filed in Application Number 08/825,559.

No fees other than those provided for in the papers enclosed herewith are believed to be due in connection with this communication. However, pursuant to 37 C.F.R. § 1.136(a)(3), the Examiner is authorized to charge any fee under 37 C.F.R. § 1.17 applicable in the instant, as well as in future communications, to Deposit Account No. 08-0219. Such an authorization should be treated as a constructive petition for extension of time in the concurrent as well as future communications in the above-identified application.

Please also charge any payments due or credit any overpayments associated with this matter to our Deposit Account No. 08-0219.

Respectfully submitted,

Janice M. Klunder, Ph.D.
Reg. No. 41,121
